**Subject:** MLPAComments: Include Breakwater to Lover's Point in Monterey Marine Reserve

Dear Fish and Game Department,

I read that you are planning to exclude the underwater park from Breakwater to Lovers Point from the marine reserve in Monterey Bay. I would like to see the fish populations that have been declining dramatically in this particular area to be protected. Thus, I implore you to please include this area in the planned Marine Reserve in the Monterey Bay.

A marine reserve from the Breakwater to Lover's Point (Package Two) may help us divers to enjoy this underwater park for many years to come.

Sincerely,

--
